

Terms and Conditions

Disclaimer

Should there be any errors regarding pricing or the description of items listed on the web site, Multisizers International Ltd reserves the right to supply goods at the corrected price. You will be notified by e-mail or telephone should such a discrepancy occur and before the order is processed, which will allow you to reconsider your order if necessary. Multisizers International Ltd reserves the right to decline any order.

Multisizers International Ltd reserves the right to change any of the product prices at any time.

Prices

Our prices are calculated in British Pound Sterling and converted to other currencies. As exchange rates change on a daily basis, please contact us for an exact quote in a given currency before committing to placing an order.

Delivery

We pride ourselves on providing an efficient service. We do however, have to rely on couriers to deliver our product. Whilst everything in our power is done to dispatch the goods on time, we cannot be held responsible for any delays.

Taxes and VAT

Please note that VAT and/or import taxes may be applicable. Our factory is based in Guernsey which is not part of the UK and we do not include VAT or any other duties on our invoices. This remains the responsibility of the purchaser. In most cases, DHL will contact you to arrange collection of import duty before delivery.

Injury

Multisizers International Ltd cannot be held responsible for any injury that may occur from using our products, however caused. Please take due care and use our products in a responsible manner. Keep packaging and products away from babies and small children.

Multisizers International Ltd shall not be liable for any loss, damages or costs of any nature (including legal expenses) whatsoever sustained by the customer, or by any person arising out of any errors in work produced or out of delay in completion/delivery or from any other cause whatsoever.
